Austin American Technology

YOU ARE INVITED TO SEE AAT's DEMONSTRATION IN CLEANING TECHNOLOGY ON TUESDAY SEPTEMBER 30TH THROUGH OCTOBER 1ST AT THE SMTAI CONFERENCE & EXHIBITION BOOTH # 706!

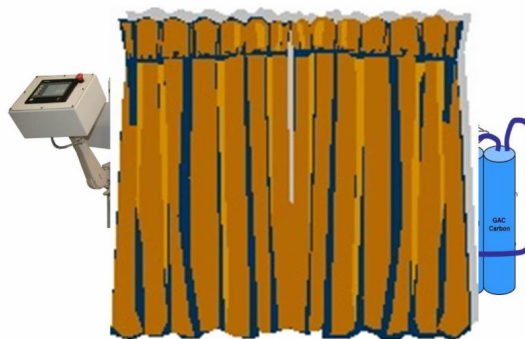

Last chance invitation to schedule your personal demo today: shornbuckle@aat-corp.com

Get your ticket for a Hands on Demo:

- Highest cleaning performance with or without chemistry
- Lowest operational costs without sacrificing cleaning and drying performance
- Small footprint cleaners reducing floor space
- Save hundreds of thousands of gallons of water

You don't want to miss this demonstration so be sure to stop by **Tuesday September 30th through Wednesday October 1st** and see the unveiling of AAT's new innovation for cleaning in Booth# 706 at this year's SMTAI show in Rosemont, IL and Say "Hello" Sterling.

To schedule your personal demo today contact: shornbuckle@aat-corp.com

About Austin American Technology: AAT engineers and manufacturer's high performance, high reliability cleaning systems for the electronic manufacturing industry. From general purpose to high reliability requirements, AAT systems are design-driven by the science of cleaning green. AAT systems include batch, both aqueous and solvent, spray in air and spray under immersion with ultrasonic. AAT systems also include award winning in-line cleaners. Visit www.aat-corp.com
